(Jiajia Chen) / jô-jô chén / +1 (415) 738-9592 / chenjengjia@gmail.com

For me design is the process of creating functional, aesthetically appropriate, and sustainable solutions. I am resourceful and adaptive and learn and thrive in a variety of environments. I am inspired by classical typography, Art Nouveau flourishes, as well as good design in the world around me. In addition to human centric designs, I am passionate about musicals, modern ballet, and calligraphy.
